WellNest Total HealthCare (WN/THC/2026) is a wellness-linked, indemnity-based health insurance plan that combines comprehensive hospitalisation cover with everyday health benefits such as outpatient (OPD) consultations, teleconsultations, and a reward-linked wellness programme, on an individual or family floater basis.

The plan reflects a preventive-care philosophy, encouraging policyholders to actively manage their health year-round, not only at the time of hospitalisation. Key design elements include:
